Important Points

- 1- ixamBee provides exhaustive, comprehensive and precise study material i.e., course videos, study notes and questions for better learning & practice.
- 2- Mentioned above is the schedule for live class strictly according to the syllabus mentioned by NABARD for ARD & ESI.
- 3- Enrolled user can study the notes and watch videos before coming to the class, so that live classes can be utilized as doubt clarification session.
- 4- This is a comprehensive study plan that covers all aspects of exam preparation. Simultaneously it is expected out of you to study regularly, attempt chapter tests, sectional tests and mock tests for self-analysis.
