IBPS SO AFO 2021

Congratulations to the Selected Candidates!

ixamBee has 71% Selection rate

Babukanth (Selected Candidate)

"I enrolled in the IBPS SO AFO Interview Course, which helped me in understanding my strengths and weaknesses. I would like to thank ixamBee for their guidance."

Vinod Kumar (Selected Candidate)

"I had enrolled in the ixamBee IBPS SO AFO Online Course just one week before the IBPS SO Mains exam, which helped in improving my performance in the actual exam. After completing the syllabus, I took ixamBee's IBPS SO AFO Free Mock tests for judging my preparation. I would also like to thank Kailash Sir and Team ixamBee for guiding me for the Mains exam. This time for the Interview preparation I enrolled in the IBPS SO AFO Interview course, which guided me in the right direction with respect to my interview preparation which I lacked last time."

Rohan Dalal (Selected Candidate)

"I took ixamBee's IBPS SO AFO free mock tests, which boosted my confidence as I was getting a good score. I also referred to ixamBee's Youtube videos for current affairs. Also, for Interview preparation, I had enrolled in the IBPS SO AFO Interview Course, which helped me in understanding my weak points as this was my second attempt and I did not want to leave any stone unturned this time. So, I would like to thank Team ixamBee for their guidance."

Very important Points

1. DI/Caselet DI & Puzzles/seating arrangements Part is of huge weightage in Quant and reasoning respectively, so you have to solve 2-3 DI and 2-3 Puzzles/seating at alternate days to get command.
2. After completing 60% syllabus, you can start writing Mock tests once or twice in week and work on your weak areas as per analysis.
3. Agriculture in mains is a game changer so Attempt mock tests for mains for sure.
4. Try to Read newspapers daily for improving Reading.
5. If exam is nearby, you can cover topics speedily and you must give daily more time to study and if you have enough time for exam, then you should do every topic with very basics, try to solve all types of Q with a lot of practice.
6. All topics equally important for Quant, Reas & Eng for Pre so you cannot take a chance to miss any topic.
