Selection Process

The selection process is as follows:

- Phase I - On-line Preliminary Examination (Objective Type):** This is a qualifying examination, to be eligible for Phase II - Descriptive Examination. Through this, candidates for Actuarial, Finance, Law, IT, Research streams and Generalist stream shall be shortlisted for Phase II - Descriptive Examination as per standards to be decided by IRDAI (approximately 20 times the number of vacancies subject to availability). Marks secured in the Phase I - On-line Preliminary Examination will not count for interview or final selection.
- Phase II - Descriptive Examination comprising 3 Papers (Paper I, II and III)**
- Phase III - Interview**

For more information of exam - [IRDAI AM Exam 2024: IRDAI Assistant Manager Notification PDF Released \(ixambee.com\)](#)

Exam Pattern:

- i) Phase I: There will be four tests of objective type as under:

Sl. No.	Name of Test (Objective)	No of Questions	Maximum Marks	Total Time
1	Test of Reasoning	40	40	Composite time of 90 minutes
2	Test of English Language	40	40	
3	Test of General Awareness	40	40	
4	Test of Quantitative Aptitude	40	40	
Total		160	160	

A candidate has to qualify in each of the four Objective Tests separately and also in aggregate as per the cut-off marks for each test and in aggregate to be decided by IRDAI. Separate cut-offs may also be applied for each of the specialized stream and Generalist stream.

1/4th mark will be deducted for each wrong answer

- ii) Phase II: There will be three papers of descriptive nature as under:

Name of Paper	Type of Paper	Marks	Time (Minutes)
Paper-I: English	Descriptive (Questions will appear on screen and answers have to be written on answer sheets)	100	60
Paper-II: Economic and Social Issues impacting Insurance		100	60
Paper-III: Insurance and Management		100	60

- iii) Phase III – Interview: Candidates who have been shortlisted in Phase II - Descriptive Examination only will subsequently be called for an Interview

Important points you should know

- You need 25% cut off individually in papers of Phase 1 to qualify for Phase 2. This remains almost the same across different categories. Hence you need to prepare well for Phase 1
- The weightage of Phase II - Descriptive Examination and Interview, in final selection, will be 85:15
- You can apply for two streams, one specialist stream plus Generalist post
- Post Phase I, separate schedule of classes shall be shared
- The below given plan does not reflect the daily Quant, Reasoning and English Classes
- You will additionally get access to extra General Awareness classes, over and above the ones mentioned in the schedule below

Study-cum-Live class Plan

- A 50 days plan is presented below that focuses on preparation of Phase 1 and Phase 2
- Daily Quant/Reasoning/English classes will be held for concepts clarity and practise
- Days are also suggested for regular practise of Quant/Reasoning/English by using tests available in the course
- Daily General Awareness (GA) preparation is advised with the help of our daily GA magazine – Beepedia. This magazine is also available as weekly and monthly summary for regular revision.
- In addition to Beepedia, GA classes will be held as per schedule given in below table
- Phase 2 papers classes will be held too as per schedule given in below table
